<b>Bobtail Models (Excludes rear compartments; for use with aerial buckets and digger derricks.)</b>									
6133BHC		108"	133"	50"	94"	18"	29"	21100771	1921
6145BHC		120"	145"						2069
6149BHC		124"	149"						2108

Refer to Service Body Application Guide (page IV) for aerial lift application information.

Line bodies have rivetless rotary latches on all compartment doors.

Models exclude shelving, accessories, tailgate and have no chains provided on the horizontal doors.

Models include double spring over center door retainers on all vertical doors and shelf clips in all vertical compartments.

Mounting kits are included and contain twelve stud bolts, .5" diameter x 13" long, and six tie bars.

Bodies are assembled and have prime paint exterior. Interior is painted with light gray finish that reflects light.

## SERVICE BODIES

### WITH RAISED FRONT VERTICAL COMPARTMENT

Model	Net Price	Body Length	Body Width	Standard Body Height	Mounting Kit Furnished Standard	Net Weight
<b>Service Bodies</b>						
69660J		96"	78"	40"	26102434	1148
696D5460J		96"	94"	40"	26102434	1321
6108D60J		108"	89"	40"	26102442	1399
6108D5460J		108"	94"	40"	26102442	1432
6132D60J		132"	89"	40"	26102442	1707
6132D5460J		132"	94"	40"	26102442	1745

**Note: D series 89" wide service bodies are not compatible with dual rear wheel 1999 & later Ford Super Duty Chassis cab.**

**Use of Standard 'J' Service Body in a medium duty application may require the modification of the fenderskirt and the installation of fenderettes to maintain adequate tire clearance.** See option index for ordering fenderette kit.

The standard body configuration is with a 60" high raised front vertical compartment on the curb side (bottle gas retainer and shelf clips not included) and one vertical door on the raised compartment. Rivetless rotary latches, double spring over center door retainers are provided on all vertical doors. Price includes mounting kit. For Overlapping doors, refer to Service Body Options Section.

Bodies with raised front verticals are not compatible with standard Telescoping Sliding Roofs and Standard Canopy Roofs.

Units have prime paint exterior. Interior is painted with light gray finish that reflects light.

**Non Standard Bodies with Raised Front Vertical Compartment:** All models of service bodies not listed above are non standard bodies. To determine the price of a non-standard body, add **\$510.00** to base model price of the service body.
